

Governor's MONTHLY LETTER / AUGUST 2021

2021-22 Governor,
Rotary International
District 2750
Shinichi Miura

Governor's message

Rotary International District 2750 2021-22 Governor **Shinichi Miura**

Let each Rotarian become a change-maker so that we may overcome difficulties through a spirit of service.

Two months have passed since the start of the 2021-22 year. Recently, the Delta variant of COVID-19 has been spreading like wildfire. The Tokyo Olympics were held without a spectator presence, with the Paralympics to be held under the same conditions. District 2750 also began the year with 4,497 members as of the end of June, dipping below 4,500. To paraphrase RI President Shekhar Mehta, "Rotary's members are its most important asset. In order for our organization to grow, newcomer engagement is of the essence." With that in mind, I request that the members of each of our clubs cooperate in increasing our numbers going forward.

September is Basic Education and Literacy Month. There are many children in the world who work from a young age and are unable to read due to lacking opportunities to receive basic education. As you all know, one of the major pillars of service at Rotary is the sound development of our youth. Whether projects centered on that pillar are conducted by single clubs or jointly conducted by several of them, they are all activities that bring great value to the world. As such, I hope that you will apply for a variety of Rotary Foundation grants as you initiate action for that purpose. See to it that children can go to school and girls are empowered. This is a fantastic opportunity to ask you to put "Connect with a spirit of service, from the region to the world" into practice.

September is also "Rotary-No-Tomo Month." Advocated in Rotary-No-Tomo, which is distributed every month, is the "Rotary-No-Kokoro" spirit that we espouse. We find ourselves in an age where each of us is being called upon to work towards enhancing

our qualities as Rotarians, study the kind of knowledge and mind that we should have as people who belong to a family, occupation, community and international society, and individually become change-makers. Given that, it would please me greatly if you would thoroughly read each monthly issue of Rotary-No-Tomo in order to bind yourselves with your peers on a mental level, deepen your friendship and international understanding, elevate your ethics and virtue, nurture your spirit of service, demonstrate leadership, and become "true Rotarians" in the real sense of the word.

The Official Visits have gotten underway. Because of the COVID-19 pandemic, a number of projects have been discontinued, and some of you have cited your inability to pursue your activities in the way that you would like. At the same time, this also represents a considerable opportunity for us to pursue new service projects. For Rotary, overcoming a myriad of hardships is nothing new. By pooling our wisdom as members, I have no doubt that we can overcome this pandemic as well. The true role of our District, I feel, is to ponder things and take action together so that we can manifest your new power.

For many clubs, holding of The Official Visit will be limited to just a roundtable, with my presence at Club Meetings be rearranged for a later date. Some clubs also wish to hold the visit in the form of an online or hybrid meeting. It goes without saying that The Official Visit will be held to accommodate a variety of cases. I ask that our clubs requisition the advice of the Assistant Governor in charge and cooperate in materializing the best form of visit possible.
